## Bike Cleaner

---

Revision: 17/04/2015

Page 1 from 1

**Technical data**

Basis	Water with specific detergents
Consistency	Fluid
Density	1,00 g/ml
Application temperature	5 °C → 35 °C

(\*) these values may vary depending on environmental factors such as temperature, moisture, and type of substrates.

**Product description**

Bike Cleaner is a professional powerful soap for thorough cleaning of bicycle frames.

**Remarks**

- Bike Cleaner is slightly alkaline.
- We strongly recommend not to apply the product in full sunlight as it will dry very fast.

**Properties**

- Remove dried dirt, sand and dust
- Excellent cleaning properties
- Use diluted
- Not flammable
- Does not contain harmful solvents nor acids
- 100% biodegradable

**Applications**

- Clean stubborn dirt and mud on bicycle frames, wheels and handlebars.
- Suitable for matt, painted and unpainted surfaces as well as carbon.

**Packaging**

Colour: yellow

Packaging: 1 L bottle

**Shelf life**

3 years in unopened packaging in a dry and cool environment at temperatures between +5°C and +25°C.

**Application method**

*Application method:* Apply a good dash of 'Product name' to lukewarm water (about 1/10). Apply this soapy water to the bicycle frame, best with a sponge. Let the foam layer work if necessary. Then rinse thoroughly with pure water. Afterwards, wipe with a cloth or blow dry.

**Health- and Safety Recommendations**

Take the usual labour hygiene into account.

Remark: This technical data sheet replaces all previous versions. The directives contained in this documentation are the result of our experiments and of our experience and have been submitted in good faith. Because of the diversity of the materials and substrates and the great number of possible applications which are out of our control, we cannot accept any responsibility for the results obtained. Since the design, the quality of the substrate and processing conditions beyond our control, no liability under this publication are accepted. In every case it is recommended to carry out preliminary experiments. Soudal reserves the right to modify products without prior notice.
